****Please note; as we have just under a few hundred students and families enrolled at KGD now, we will not be able to offer a combination that suits everyone. Please understand that if you have multiple children performing in the showcase, it is not always possible to have them all in the same performance, as we offer so many different combinations of classes and everyone does something different! Trying to balance audience members evenly across both shows is another aspect we must take into account. Thank you for your understanding.**
