MESSAGE FROM THE PRINCIPAL:

Welcome to Karlie Grace Dancers School of Performing Arts, my ultimate pride and joy. As a mum of three school-aged children under nine, I understand firsthand the importance of creating a nurturing, family-oriented environment where every child feels supported, valued, and inspired. As a family-run business, our goal is to make every student feel part of our KGD family from the moment they walk through our doors. Since I was a young girl, it has been my dream to open a ballet school that provides a warm, welcoming, and safe haven for every young dancer, a place where they can explore, express themselves, and grow in a positive, encouraging environment. From our humble beginnings at Harkaway Hall in 2010, operating just one day a week, to the official opening of our studio in 2011,

KGD has grown into a vibrant dance hub running six days a week with over 200 aspiring students. We pride ourselves on catering to all dancers, from those who wish to pursue their training seriously through exams, competitions, and performance opportunities (including preparation for auditions and future career pathways), to those who simply want to dance for fun while still receiving high-quality, professional training. At KGD, we believe every dancer's journey is unique, and we're here to guide, support, and celebrate each step along the way. Please don't hesitate to contact me directly if you'd like to discuss your child's dance or performing arts journey further. I look forward to welcoming you into our wonderful KGD community.

ALL KGD TEACHERS ARE FULLY QUALIFIED, HAVE WWC'S WITH A DIVERSE RANGE OF GOVERNMENT AND NATIONALLY RECOGNISED CREDENTIALS AND INDUSTRY EXPERIENCE. TO SEE OUR TEACHER'S BIOS PLEASE VISIT OUR WEBSITE: [HTTPS://WWW.KGDANCERS.COM/MEET-OUR-TEAM](https://www.kgdancers.com/meet-our-team)

KARLIE HAS A WEALTH OF KNOWLEDGE AND A PASSION FOR DANCE, HER MISSION IS TO PASS ON THIS LOVE OF DANCE AND SKILLS TO A NEW GENERATION OF YOUNG PERFORMERS

WHY KGD?

At Karlie Grace Dancers (KGD), we offer a diverse and comprehensive performing arts curriculum designed to develop confident, versatile, and well-rounded young performers. Our goal is to ensure that every student, whether pursuing dance professionally or simply for Fun, Fitness, and Friends, receives exceptional training and support in a nurturing environment.

As a veteran of the performing arts industry, Miss Karlie understands how vital classical ballet technique is to a dancer's success. For this reason, we place strong emphasis on our Cecchetti Method of Classical Ballet training. Ballet classes are carefully curated for each age group to maintain consistently high standards, with both group and private lessons available so students can progress at their own pace. We also offer specialised extension classes for accelerated learning.

Every member of our teaching faculty has been personally selected by Miss Karlie for their technical expertise, professional experience, and genuine passion for inspiring young dancers. Each teacher instructs within their area of specialty, ensuring that every student benefits from expert guidance and a deep understanding of their chosen genre.

Through Karlie's ongoing industry connections, KGD students also enjoy exclusive access to workshops, masterclasses, and networking opportunities with some of the most respected names in the dance world. While we pursue excellence and a high standard of training, we also recognise that not every dancer's journey includes exams, competitions, or professional aspirations. Every student, no matter their goals, is valued, supported, and encouraged to reach their full potential.

At KGD, we pride ourselves on upholding our founding philosophy of quality over quantity, combining safe dance practices with strong technical tuition. Above all, our mission is to share the joy of movement, foster technical and personal growth, and ensure every dancer learns from those who have truly lived the industry, because at KGD, you learn from the best to become your best!

KGD CORE CURRICULUM

By now, your child has discovered their passion and joy for dance in the KGD KIDZ level, built their technical foundations in the Beginner ASPIRE level and are ready to take the next step.

At the POISE, GRACE & ELEGANCE level, students explore a broader range of dance genres, including:

- Cecchetti Classical Ballet
- Jazz
- SFD Tap
- Hip Hop
- Contemporary / Lyrical
- Triple Threat (Musical Theatre)
- Acrobatics/Tumbling

*To meet the technical requirements for Contemporary, students are required to also study a technique class in Ballet or Jazz.

KGD DISTINCTION & EXCELLENCE PROGRAMS

The KGD Distinction Program is an invitation only program and is designed for dancers who are ready to take their training to the next level. It offers a clear progression through our Poise, Grace, and Elegance levels, providing both technical development and performance opportunities for students aiming to excel in dance. Students are offered the chance to broaden their Classical technique by exploring different syllabi, including Ballet Conservatoire (Vaganova- Russian method), ensuring a rich and well-rounded training experience.

Students in the Distinction Program continue their Ballet training while expanding into multiple genres and opportunities. At each level, students who reach the required standard and maturity within their classes are invited to join our Premier Competition Team, where they train in an extra 60-minute weekly class and learn routines for major competitions during the year. These routines are then showcased at our end-of-year performance in December.

Alongside competition training, all students in the Poise, Grace, and Elegance levels are celebrated at our presentation evening in December, receiving certificates and medals as they graduate into the next level. Competition Team members additionally participate in weekly Progressing Ballet Technique classes, an innovative body conditioning and strength-building program that prioritises muscle memory development through ballet-specific exercises.

To support high-level development, more serious Ballet students undertake two Ballet classes per week: their general Ballet class and their Cecchetti exam class corresponding to their level (Grade 1 in Poise, Grade 2 in Grace, Grade 3 in Elegance). Optional participation in the next exam level (without sitting the exam, at no extra cost) is encouraged to accelerate results and ensure students are training at the highest standard. Students in the Distinction Program also benefit from increased opportunities as the year progresses, including our Summer Intensive with industry-renowned teachers, school-related social events, and prestigious extra-curricular activities such as awards days hosted by Cecchetti Ballet Australia and prestigious Ballet competitions and audition opportunities.

SHOWCASE:

An impressive feature that KGD boasts is our annual end of year Showcase Performance in December. KGD is renowned for our spectacular end of year showcase, where attention to detail, costuming that is always commented on and choreography that is second to none! Students spend a substantial amount of time midway through term 3 and whole of term 4 preparing for our highly-anticipated performance. Not only does this prove to be a very fun-filled and exciting evening for all, students can also benefit so much from the experience of performing in a professional theatre and all it has to offer, including our amazing and detailed costuming, professional lighting, professional backdrops and special effects. Most of all though, students will be continuing to develop their performance abilities, learning to work as a part of a team and increasing their confidence.

PAYMENT METHOD & CONDITIONS:

- All fees are inclusive of GST.
- All fees are bundled into an All-Inclusive Package with the payment split over 11 monthly payments (February-December). The monthly fee excludes all school and public holidays.

The full term's worth of payment will still need to paid should a student stop attending part way through a term, as a student holds a place in their classes for the duration of (1) term minimum.
Please note: Fees are non-refundable, (unless a class is cancelled by KGD).
- Fees for absent classes cannot become a credit for the following term, nor can they be transferred over to other siblings, however students can do a 'make up' class provided they do so in the same term. Please contact reception prior for approval and to discuss appropriate class (max 2 make up lessons per term).

FREQUENTLY ASKED QUESTIONS:

Can I participate in a trial lesson before deciding to enroll at KGD?

Yes! We offer an introductory trial lesson for all new students, giving your child the opportunity to experience a class and see if it's the right fit for them.

The trial lesson fee is \$16, payable at reception prior to the class. If you choose to enrol, this fee will be credited toward your first invoice.

How do I enrol?

Log onto our website; www.kgdancers.com Click the 'Enrol online' button, This will take you through to our online registration portal to select your choice of classes. You will receive a confirmation email shortly after to confirm. If unsure with your class decision, please contact us and we will happily assist.

Do we need the full uniform for the first lesson?

No you do not need to be in uniform for your first lesson. We suggest you just wear comfortable clothes, ie; leggings, tracksuit, singlet, t-shirt, etc and perhaps runners or bare feet for your first lesson to ensure you enjoy the class first and wish to continue prior to going out and purchasing your uniforms and correct dance shoes.

Can parents watch classes?

Similar to kindergarten, primary or high school settings, we've found that students learn best and stay most focused when it's just the teacher and students in the studio. This helps them build confidence and make faster progress in their dancing.

All of our teachers and staff are fully qualified, and we have a wonderful team of student helpers on hand to assist younger dancers with things like toilet trips, changing shoes, and getting organised — ensuring every child feels comfortable and supported throughout their class.

We do, however, love sharing your child's progress! During Open Viewing Week in Terms 2 and 3, we invite parents and carers into the studio to see what students have been working on.

Outside of viewing weeks, parents are welcome to drop and go, relax in our cosy foyer and watch TV, or pop over to the café across the road, which also has a kids' play area.

Is there parking available?

Yes, there is parking available on-site as well as street parking nearby for your convenience.

Where do we go for our first lesson?

We recommend arriving a little early for your first lesson to allow time to check in at Reception and find out which studio your child's class will be held in. Our friendly staff will be there to help you get settled and answer any questions.

Do you offer refunds or credits for missed classes?

Unfortunately, we're not able to offer refunds or credits for missed classes. However, we do provide two make-up classes per term for each student.

To arrange a make-up class, simply email us with the date of the class your child missed and the date of the make-up lesson you'd like to attend, and we'll organise this for you.

My child wants to start Ballet & get her Pointe shoes. When can she do this?

Firstly, the student must be at least 12 years of age for their feet to be anatomically ready to begin Pointe work. Even then the student must have had a few years of ballet training & experience behind them. If the student meets the above criteria and displays an appropriate level of technique required, she will be then invited by the principal to partake in a weekly 'Pre-Pointe' class for 6 months at a minimum, to strengthen her ankles, feet and core before acquiring her Pointe shoes and commencing Pointe work.

When KGD staff consider the student to be almost ready, the student will be referred to In Sync Pilates & Physiotherapy in Camberwell to be assessed for Pointe readiness. Once KGD staff and the Physio are happy with the student's progress, an appointment at BLOCH Dancewear in Malvern East will be made for the student to be fitted with their very first pair of Pointe shoes.

What age can my child start Ballet exams?

Generally once a student at KGD has reached age 5-6 and assuming they are demonstrating the required standard of technique, along with showing commitment to their classes and an excellent work ethic and attitude to their fellow peers and teachers, they will be considered by the principal to be invited in our annual in-take of examination candidates.
